

**108 ACRES BETWEEN COMMON LANE AND WATLING STREET, RADLETT
for 600 HOUSES**

WE URGENTLY need information from anyone who uses the footpaths and Bridleways that cross much of this site or use them to connect to further afield, as you will be affected by this application and the Local Plan.

YOU can help by filling in this questionnaire with your details.

WE will be collating the information and preparing a table of usage.

Many thanks - Working on behalf of the residents to save our Green Belt

Please scan QR code or return by email to protectradlettgreenbelt@gmail.com
